JOIN US! Make a difference in the lives of thousands who are affected by domestic violence in North Carolina by taking part in the second annual **Walk the Course Against Domestic Violence**, a project of Avon Foundation for Women held in collaboration with the **PGA TOUR Wives Association** and the **Quail Hollow Championship**.

Non-Competitive & Family Friendly! Register on your own or as part of a team to walk up to 18 holes (5 miles) at the exclusive Quail Hollow Club golf course, while raising funds and awareness to help end the cycle of domestic violence. You will enjoy the beautiful scenery of one of North Carolina's most exceptional golf courses and have the opportunity to walk with PGA TOUR players' wives and families. Top fundraisers will win fabulous prizes including the chance to meet professional golfers participating in the Quail Hollow Championship!

Why Walk & Fundraise? There were more than 535 domestic violence-related homicides in North Carolina since 2003, and every year up to 15 million children witness some form of domestic violence in the U.S.

Every dollar raised will help women and children in need. Last April, more than 900 walkers and volunteers spoke out against domestic violence and raised \$100,000 that was donated directly to North Carolina-based agencies. Once again, **100% of the money raised will be awarded to deserving local agencies, including The Shelter of Gaston County, United Family Services Shelter for Battered Women, Turning Point of Union County and the North Carolina Coalition Against Domestic Violence** to support education, prevention, and direct service programs for those in need.
