

Carolina Juniors Volleyball Spring Semi Nationals Frequently Asked Questions CURRENT PLAYERS

Do I have to attend tryouts?

Current athletes may or may not have to tryout. We attempt to give all CJV athletes first right of refusal to their spot on a team. If coaches don't continue on, we have to be somewhat flexible and form teams based on another tryout. See scenarios below...

If your coach is continuing on with your team, current players do not have to tryout.

If your coach is not continuing on with your team but the majority of your team wants to continue, we will do our best to find a replacement coach. In this case, current players do not have to tryout.

If we are not able to find your team a replacement coach, current players will have to re-tryout for the available spots.

When are tryouts?

Tryouts are March 27 at our Granite Street facility. 12U-14U will tryout from 5:30 – 7:15 PM. 15U-17U will tryout from 7:30 – 9:15 PM. This tryout is for North and South players.

Do I have to register? YES

Registration is open on our website, www.CarolinaJuniors.com. Even if you are continuing on with your team and do not need to tryout, ALL current players must register for the Spring Semi National season tryouts in order to be accounted for. This does not cost you any money as long as you sign up as a "Returning Player".

How much will the season cost?

The cost for a team will be within \$795-\$1295 per player. We will email out team fees prior to tryouts to all tryout participants. This does not include AAU memberships, uniforms, travel, etc. Half of the team fee is due within 48 hours of receiving your invoice. The final payment will be due May 3, 2022.

When are the practices?

All practices will be announced by the parent meetings. Your team will practice at their home location. You will have 2 practices per week starting anywhere between April 1 and April 15 (some teams will start practices after Big South).

When are parent meetings?

Parent meetings are not mandatory for returning players. All team meetings will be the Granite St location on April 3 from 6:00-8:00 PM.

Do I need to order anything new at the team store?

There are no new uniforms or gear required for the Spring Season.

What happens if my child can't make one of the tournaments?

We ask that all players make every possible effort to attend all tournaments they commit to when they accept a bid. If there is a situation where a player can't make a tournament, the player is still responsible for the entire team fee. We do not give discounts if players can't make it to all tournaments.

What is the tournament schedule?

We send teams to 3-5 tournaments during the Spring season. We will put out TENTATIVE tournament schedules for players to pick up at tryouts. The tournaments that teams will possibly travel to include JVA Charlotte Challenge, Rocky Mount Grand Prix, SC AAU Grand Prix in Spartanburg, JVA Coastal Classic in Myrtle Beach, AAU Nationals in Orlando. Teams will finalize tournament schedules at the Parent Meetings.

If you have any further questions, please reach out by calling us at 704-583-1444 or by emailing us at Office@CarolinaJuniors.com.
