

If you want to add money to your DASH Online Account to use for any future purchases, you can Purchase and Reload an “Account CREDIT (Gift Card)”. The default amount is \$50.00, but you can change the amount at checkout to any amount you want.

The Gift Card option is located at the bottom right corner of your DASH Online home page.

Your remaining Balance will show at the bottom right corner of your DASH Online home page.

You can click on the “More” option to display your Gift Card Bar Code and Redemption Code. You will need this Redemption Code at checkout. You can copy and paste the Code.
