

## LESSONS & CLINICS ON DASHOnline

Once you access our DASHOnline system for Lessons & Clinics from our Pickleball Charlotte Website, you will see a screen like the sample below listing ALL the Lessons and Clinics available. Any changes to a lesson need to be handled by emailing or calling Pickleball Charlotte.

You can narrow your search by ENTERING or SELECTING information on the left side of the screen, or you can SORT any of the columns of data on the right side of the screen by clicking the Up or Down arrows. To SORT more than one column, hold the Shift Key down and click the arrow for your second sort choice.

You can enter ONE parameter to search for in the “Search By Name or ID...” field. Once you have searched for a specific parameter, you can then sort the columns to the right to narrow your selection.

Sample parameters you may want to search for are Instructors Name (Leesa, Jim, Lilly, etc), Level (Beginner, Adv, Juniors, etc), or search for any Word in the Name / Description Column.

If you want to view the available Lessons or Clinics for just Monday or Wednesday, after 3:30 PM click the M and W boxes for Day of the Week and click Evening: 3:30 - close for Time of Day.
