March 13, 2020 - Present

Sports Connection, Carolina Juniors Volleyball and Pickleball Charlotte slowly started to reopen some locations and some programs in the Summer of 2020 after being closed for 3 months because of COVID.

Our CJV East Location closed for good in May, 2020 and our Northlake Family Entertainment Center also closed during the COVID Pandemic.

We used the downtime to renovate our Beach Volleyball Courts, Add 4 Outdoor Pickleball Courts, Refinish Our Floors and Walls At Our Ballantyne Location, and Convert Our Northlake Location to a State-Of-The-Art SPORTS Complex with 11 Indoor Volleyball Courts, 6 Basketball Courts and 4 Indoor Pickleball Courts.

See our video below of the changes made during the COVID lockdown period from March to December, 2020.
